

BOARD MEMBERSHIP

Help lead the future of Red Bull Theater.

With an eye towards long-term stability and strategic growth, we are expanding our Board of Directors. Be a part of the elite leadership team that will help shape and sustain the future of Red Bull Theater.

Our current 8 Board Members represent a spectrum of supporters from the arts, private sector, philanthropy, and more. They are vocal advocates for Red Bull Theater who are generous with their time, resources, and energy.

Potential board members are one or more of the following:

- A person who can spread the word about Red Bull Theater's activities to new audiences and prospective donors.
- Someone who can make a personally significant financial contribution to the company.
- A leader or expert or major vendor in real estate, marketing, printing, fundraising, audience development, internet technology, theater, and more.

Board members are appointed through a simple vetting process that includes meeting with the current board and company leadership.

Board Membership expectations include:

- Attendance at board meetings (4 per year) including one annual board retreat.
- Participation in and ticket purchases for galas, fundraising drives, and benefits.
- A \$5,000 "give/get" per year, which can be achieved through in-kind gifts, garnering other contributions, or personal contributions.
- Cultivation of new supporters of Red Bull Theater by attending events and performances, and bringing friends and colleagues.

If you or someone you know is interested in joining Red Bull Theater's Board of Directors, please email me directly at jesse@redbulltheater.com, and I would be happy to discuss it in more detail with you.
